

SANTORO'S GORJUSS

Whatever the Weather Collection

## about gorjuss

Gorjuss is an art-brand phenomenon, established by award-winning design house Santoro. Continuing to sell successfully at retail for well over a decade, it is available in over 90 countries worldwide with millions of adoring fans.

As society races faster and faster towards modernity, Gorjuss is a nostalgic reminder of the human psyche; a gentle nod to our childhood courage, hidden insecurities and innermost thoughts.

## whatever the weather

Introducing a collection for all of life's adventures, come rain or shine!

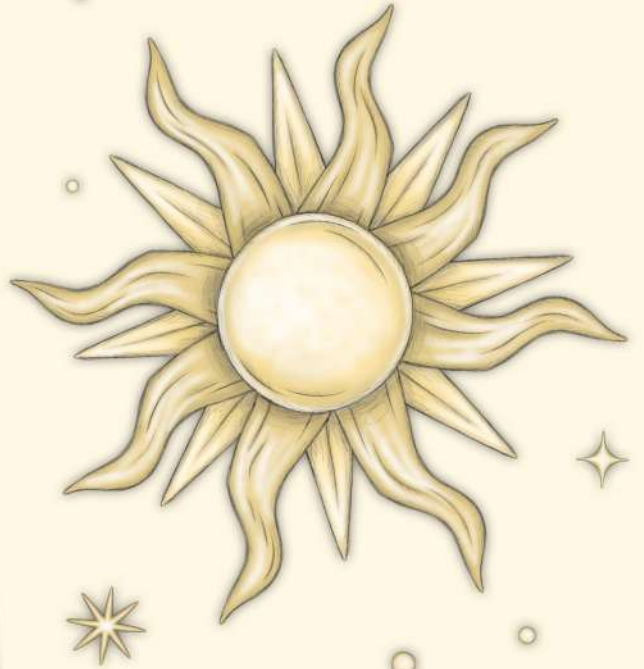

Meet two special Gorjuss girls; 'Ray of Light' and 'Little Storm Cloud' as they embrace the beautifully unpredictable nature of the universe whilst always looking for a silver lining. Classically styled bags and accessories in sophisticated colourways are an homage to the original Gorjuss styling, where every accessory tells a story.

Combining beautiful artwork with faux-leather finishes and embossed details, this timeless collection feels comfortingly familiar whilst offering some brand new items never seen before! New delicate jewellery and metallic-edged mugs are amongst the range of gifts to discover – ready to accompany you on every journey, under every sky... whatever the weather.
